

AIR PARTNER
A WHEELS UP COMPANY

RECRUITING NOW:

Charter Apprenticeship (Flight Support Coordinator)

START DATE: JANUARY 2025 | LOCATION: GATWICK

We are recruiting for apprentices to join our Customer Flight Support team here at Air Partner. In these exciting new roles you will work closely with various departments and play a key part in the Group's round-the-clock Customer Flight Support department ensuring that our clients consistently receive exceptional service.

These are full time positions within the Operations Team which will incorporate 20% off the job learning, along with a requirement for self-study time out of work as required.

Salary: £25,000 a year

We're looking for great people who have:

- A keen interest in aviation
- Strong communication skills
- Well organised and pro-active
- A willingness to learn

If this is you, please scan the QR code below to apply.

ABOUT AIR PARTNER

Air Partner is a world-leading international aviation services group providing aircraft charter, aviation safety and security solutions, and managed services to industry, commerce, governments, and private individuals, as well as civil and military organisations.
